Your Best Alternative For Small Corporate Relocations

Shorter transit times, no shuttle charges, and many more benefits for your small shipment solutions.

Allied Corporate Express[®] is specifically designed to handle more effectively your corporate relocation small shipment program. By simply applying our international move expertise to a domestic lift-van mode, we're able to streamline the door-to-door process for small shipments, giving your employees the ability to settle-in faster.

Benefits

- No spread dates. The transferee can specify the moving dates even during peak season.
- Faster transit times, improving your transferees productivity.
- No shuttle charges, saving you money.
- Household goods are packed into sealed containers, reducing the claims ratio.
- Free Storage In Transit at destination (up to 15 days).
- Delivery date flexibility without added charges, even after the shipment is loaded!
- No first day of handling or cartage charges.
- Pricing is simple, giving you more accuracy when planning ahead.

Dimensions and Transit Times

Dimensions: L87" X W47" X H87".
Lift-vans hold 1,000 lbs. of household goods, the equivalent of one room with standard furniture.

Transit Times: Up to 8 days!
